

# RUSH UNIVERSITY SCHOOL OF NURSING

## MSN for Non-Nurses: Clinical Nurse Leader Program

As of 2020, Rush University has the #1 Clinical Leader Program in the country. The Spelman College Health Careers Program is elated to partner with Rush University for this program. This is a full-time program, 24 months in length. The fast-paced curriculum combines didactic and clinical coursework throughout the program. By the time you graduate you will have completed 1,308 clinical hours, affording rich clinical experiences with adults, children and older adults in a variety of health care settings.
