

UNIVERSITY OF CONNECTICUT SCHOOL OF DENTAL MEDICINE

Early Assurance Program

The Aetna Health Professions Partnership Initiative supports a Health Disparities Clinical Summer Research Fellowship Program. The program is designed to provide a clinical research and enrichment experience and an introduction to health disparities, cross cultural issues, principles of clinical medicine and skills for public health research and interventions. Also provides an overview of approaches to cultural definitions, public health issues and discussion of specific techniques for working with diverse populations in community settings. Provides housing, meals and a stipend.
