“

As I embark on my twentieth year as the Director of the Spelman College Glee Club, I am filled with pride, thinking not only about how far the Glee Club has come, but knowing just how much more is in store for these young ladies! Every note we sing is an homage to the legacy that you, as our alumnae have built, and it's only appropriate that this year is a reunion year, so that we can celebrate you ladies as the trailblazers you are. I hope that you all will be able to join us!

“

I am so excited that we have gained new Glee Club sisters this semester! We have so much to look forward to this semester including our fall concert, performing with the Dance Theater of Harlem, and our 92nd Annual Christmas Carol Concert. Thank all of you for your continuous support and I hope to see all of you in the future!

My name is Britni Ruff and I am so excited to begin this year as the Alumnae Liaison of the Spelman College Glee Club. As an SCGC alumna, I'm honored to be able to give back to our beloved organization AND connect with you, my fellow alumnae sisters. We have a great year in store, filled with exciting performances, great events, and lots of sisterhood! We look forward to connecting with you all during Homecoming, at the Christmas Carol Brunch, and at REUNION this spring! The current members can't wait to spend time with their alumnae sisters, and I am especially looking forward to connecting with each of you all this year. Cheers to another great year in Glee Club history!
