Message from the President

Jessica Hannsberry, C'2020

This December, the Glee Club participated in the annual Christmas Carol concert with the Morehouse College Glee Club. It is always wonderful to have the opportunity to perform with our brothers, but all of the festivities of the weekend were especially magical for me, being that it was my last Christmas Carol. We are all looking forward to the exciting performance opportunities that we will have coming up next semester, including our annual spring tour.

Semester in Review

August

Along with the new school year came new members. SCGC wowed the campus with their performance at opening convocation. We also welcomed new executive board members, who have been leading the Glee Club with compassion and patience.

September

September represented sisterhood! The members of the Spelman College Glee Club had the opportunity to strengthen their bonds at the Annual Sister Social. From fun games to performances and conversations, it was truly a night to remember.

Semester in Review

October

The events in October represented community. The Glee Club had the privilege to sing for the late Jessye Norman's funeral. Students were honored to celebrate a legend. Another event of the semester was the Homecoming Reunion Rehearsal. Alumnae gathered from near and far once again to celebrate the traditions of the Glee Club.

November

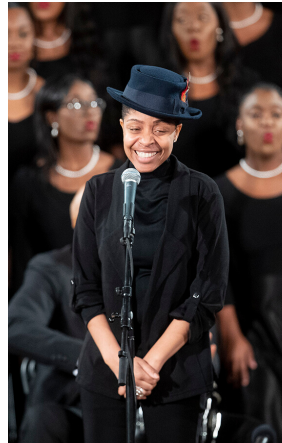

In November, the Spelman College Glee Club had the honor of performing Gustav Mahler's 8th Symphony with the Atlanta Symphony Orchestra. We were able to further expand our horizons while representing the legacy of Spelman College.

Alumnae Christmas Carol Brunch

At this year's Annual Alumnae Christmas Carol Brunch, the Glee Club honored Dr. Pauline E. Drake, C'58 with the Pearl of Wisdom Award, Ms. Valencia Wicker, C'2008 with the We Are Christmas Award, named Dr. Jane E. Smith, C'68 as an Honorary Glee Club Sister, and celebrated the graduating senior class for the dedication to the Glee Club. Glee Club seniors, Desirae Banks and Elaina Blake performed and Brandi Diggs, C'2008 gave the keynote address.

Christmas Carol

From recalling wonderful tearful memories to immaculate performances, the 93rd Annual Spelman-Morehouse Christmas Carol Concert contributed to a very gleeful season to remember!

The month of December was filled with joy and laughter! The Spelman College Glee Club successfully continued the 93 year tradition of Christmas Carol, honored our seniors and alumnae at the Annual Alumnae Brunch, and ended the semester off strong. Under the direction of Dr. Kevin Johnson and Professor B. E. Boykin, C'2011 and the leadership of Ms. Valentine Williamson, C'2013, the Glee Club continues to amaze and inspire in all that we do. Stay tuned, because next semester will be just as great, if not better!
