\*\* *Prerequisite for SSOC 334 is SMAT 205, prerequisite for SMAT 205 is SMAT 107.*

## **ADVISING PROCEDURES:**

- Always consult with your advisor before registering for courses.
- All prerequisites - as identified in the Spelman College Bulletin - must be strictly followed.
- Never save major electives until the end - advanced core courses are premised on your having already completed several electives.
- Choose general electives that help prepare you for thesis research.
- Three (3) core courses **can NOT** be taken in one semester
- All major core courses should be taken at Spelman unless approved by the Chair.
- Do not enroll in Sociology Internship and Senior Thesis during the same semester, unless you have approval from your advisor and/or the Chair.
- In order to enroll in Senior Thesis, students must have completed and passed all major core courses besides Contemporary Social Theory or Anthropological Theory.
- One semester of BQC is required by all Spelman students.
- “Unique” circumstances require advising by the department chair. **ALL SENIOR, TRANSFER & PAULINE E. DRAKE SCHOLARS MUST be advised by department chair.**
