

HOW CAN WE HELP?

Need Assistance With a Course?

For assistance with classes, make use of professors' office hours, study groups, academic support and the Student Success Program.

Need Help Reaching a Professor?

Unable to reach your professor via email or phone? Please contact your class dean for assistance.

Need Advising Assistance?

Visit your DegreeWorks audit and Spelman ARCH via mySpelman to find your first year or major advisor.

Looking for a Job, Internship,

Graduate School or Career Counseling?

Visit the Office of Career Planning and Development for virtual counseling, appointments, recruitment and student engagement events, job postings and resources to empower your career success.

Feeling Lonely and Overwhelmed?

Practice holistic self-care and contact the Counseling Center for virtual services. In an emergency, call 911 or the National Suicide Prevention Hotline at 1-800-273-TALK (8255), or text "Hello" to 7417411 for the Crisis Text Line.

WE ARE HERE FOR YOU!
